

Bolton Archdeaconry Report to Spring Council

20th April 2013

As this is my first report to council since taking office in January 2013 I don't have a lot to report.

In September I attended the Provincial Training at Swanwick. Which I found very helpful and met other people who would be taking new post in January.

We hosted the brilliant Bolton Archdeaconry Road show on 16th March at St. Catherine's Church, which was well attended and well received. I have also had 2 meetings with Catherine, Maureen and the other Archdeaconry President's with regard to the Archdeaconry Concerts. These seem as though they will be a good evening. The Bolton concert will be on 9th August

I hear that some of the Branches will be supporting the Malawi M'mawa on 6th April. I hope that the events are well supported and raise the funds that are needed for Sodor and Man to support the Literacy Project in Malawi.

Christine Faulkner
Bolton Archdeaconry President
